Benjamin M. Lee-Polston

Charleston, WV
(304) 925-3355
ben@benpolston.com

Cybersecurity student (B.S., WGU, expected 2027) with 8+ years of IT experience in endpoint security, identity management, and infrastructure. Security+ certified; seeking a cybersecurity or networking role.

EDUCATION

Western Governors University - Salt Lake City, UT
Bachelor of Science in Cybersecurity and Information Assurance

EXPECTED 2027

- Excellence Award for Emerging Technologies in Cybersecurity
- Member, WGU Cybersecurity Club

EXPERIENCE

Almost Heaven Cellphone Repair - Charleston, WV
Owner / Operator

MAY 2019 - PRESENT

- Own and operate a mobile device repair business, handling diagnostics, repairs, customer service, and parts sourcing.

NetSolutions - South Charleston, WV
IT Analyst

MARCH 2024 - AUGUST 2025

- Administered Sophos EDR, Firewall XG, and MDM environments for roughly 150 SMB clients (500+ endpoints), improving visibility and threat response.
- Led client migrations from on-prem Active Directory to Microsoft Entra ID, implementing cloud identity and MFA.
- Supported endpoint security investigations: reviewed alerts, isolated devices, aided remediation.

Gmet Communications - Shelbyville, IN
Store Manager

AUGUST 2021 - NOVEMBER 2023

- Led a team of up to 10 across 2 Cricket Wireless retail stores, managing sales, customer service, and daily operations.
- Provided mobile device support in store and by phone.
- Hired, trained, and supervised staff.

Mach1PC - Shelbyville, IN
Computer Technician

APRIL 2017 - JULY 2021

- Managed a ticketing system for 8,000+ registered clients with a 3-day or better resolution time.
- Troubleshot networks, endpoints, and peripherals on site for SMB clients.
- Handled after-hours emergencies, prioritizing uptime and data integrity.

SKILLS

Security & Identity:

Sophos EDR, Microsoft Defender (Endpoint, Office 365), Entra ID (Azure AD), MFA (Duo, Entra ID), Mimecast, Access Control, Wireshark, Nmap/Zenmap, Burp Suite, Caido

Networking & Systems:

Sophos Firewall XG, SonicWall, Ubiquiti/UniFi, TCP/IP, DNS, DHCP, VPN, Active Directory, Microsoft 365/Google Workspace admin, Windows, Mac, Linux, VirtualBox, Hyper-V

IT Operations & Tools:

RMM (ConnectWise, Continuum, Syncro), Lansweeper, MDM, Ticketing Systems, Script Editing (PowerShell, Bash, Python), Incident Triage
